Arthur Ashe has been an iconic figure and his legacy has left an impression not only in tennis but worldwide. We are encouraging young players grades 6 to 12 to participate in an essay contest. Participants can write typed a one page or hand written essay that illustrates any impact, experience or observation regarding Ashe as a player or person and how that has made a positive impact in their life or tennis journey so far.

Ability Beyond the Court Inc is extending this opportunity to players who have participated in the Ashe projects at local programs but open to other tennis clubs. Two participants from each program will be selected as winners and get a Le Coq Sportif Small Shirt- courtesy of the Arthur Ashe Legacy Project @ UCLA.
